## Measure Up! With Main Street **BREAKING NEWS!**

While we may have had a smaller turnout for this season’s Measure Up! With Main Street Fitness Challenge, we won’t have a small payout for the winning team!

It was decided at last night’s Main Street Board Meeting that the entire registration collected would be awarded to the team that, collectively, loses the largest percentage of weight during the two month program.

We’ve also decided on

some changes that will go into effect in our 3rd Season of Measure Up! With Main Street. In an effort to include more of the folks that want to participate, but have a hard time finding three extra friends to commit to the challenge, this spring we’ll reduce from a four man team to teams of two. This will mean even more competition for the grand prize and an even bigger payout to the winning team!

We will continue to

meet every other Thursday for weigh-ins at the Main Street office in the Stark Art Gallery.

**THIS WEEK’S WEIGH IN** will be held at the Garvin County Health Department as the Main Street office will be closed as we man a booth at the Oklahoma State Fair.

If you have any questions, please don’t hesitate to contact the Main Street office during regular business hours.

## MAIN STREET ACCEPTS GRANT FOR LIBRARY

The Les and Mary Puckett Children’s Foundation has awarded a \$1,500.00 grant to Main Street Pauls Valley on behalf of the Pauls Valley City Library.

Many foundations such as the Les & Mary Puckett Children’s Foundation, may only award

funding to those organizations with a 501c3 Federal Tax Exemption Status as a non-profit group.

Because of this, the foundation contacted Main Street Pauls Valley, a 501c3 organization, to secure this special funding for the Public Library.

Main Street is always happy to assist in any situation that helps to restore and/or support the success of our Main Street area and the City of Pauls Valley!

## Pauls Valley Health Coalition To Meet

Please join us for our second health meeting!

The Pauls Valley Health Coalition will be meeting on Thursday, September 23, 2010 at 5:30pm at the Pauls Valley Public Library. We will be discussing information gathered from the previous meeting and putting together a plan of action to address some of those issues.

A few of the issues were:

- \* Community Garden
- \* Farmers Market
- \* Nutrition Education/Weight Loss Classes
- \* Walking/Bike Trails

Along with many more.....

Please join us to learn more about how we can help enrich the lives of every Pauls Valley resident! Thank you for your continued support, and we hope to see you on September 23! Please forward this along to any-

one who may be interested in being a part of this group.

Thanks,

### Pauls Valley Rotary to host Second Annual Greater Garvin County Car Cruise "THUNDER IN THE STREETS"

The Rotary Club of Pauls Valley has announced that it will host the Second Annual Greater Garvin County Car Cruise "THUNDER IN THE STREETS" in Garvin County, scheduled for October 9, 2010.

Last year's Inaugural Greater Garvin County Car Cruise format will be transformed from a car cruise into a Car Show and Poker Run to benefit Rotary Service Projects.

Participants will not only be displaying their vehicles in designated areas around town, but will be driving their cars in around to specific pre-establish venues where they will collect proof of visit tokens and will then return to their staging area to draw cards for a Seven Card Stud Poker Hand.

The Car Show portion of the event and judging will begin at 1:00 pm and end at 3:00 pm. Trophies will be awarded for the best vehicles in a number of different classes at an awards presentation and event gathering after the Poker Run in the parking lot at Covercraft Industries at 5:00 PM.

The event is being designed as a Rotary Benefit fundraiser, which will not only provide for the many programs supported by the Rotary Club, but is open to any non-profit organization in the region. Sponsors have donated a 2003 Ford Mustang GT Convertible, which was unveiled at BrickFest, in Pauls Valley on May 1, 2010 to be raffled off on the day of the cruise. Any non-profit organization may participate in the raffle by purchasing bundles of tickets in increments of 100 for \$.50 cents each or \$50, selling them for \$2 each or \$200, and keeping the difference of \$150 to benefit the mission of their organization.

The 2010 event has been expanded to six classes to include Motorcycles and will henceforth be held on the second Saturday in October.
